This event is run by the **Essex Historic Military Vehicle Association** (registered charity :1155705) and is our main fundraising event. Please take a moment to read our show rules in order that you have a safe, fun and enjoyable show:

Summary of show rules.

General Behavior.

We want to run an enjoyable and safe show. Your co-operation is vital to the success of this. We ask that you behave at all times in a polite and reasonable manner. Please remember, **our staff are volunteers and abusive or threatening behavior will not be tolerated** - we have a zero tolerance policy in place for this as a charity. Our security will remove people from the site if this rule is broken or the police will be called. We allow consumption of alcoholic drinks on site, but please keep this to a level of moderation.

Event Safety

Please always follow any and all instructions given by any official or marshal at any event.

Please ensure that your vehicle is kept in a legal, safe and roadworthy condition and you have the appropriate license and/or training to operate it. Any tracked vehicle should only be moved during an event with suitable marshals, and within the agreed tracked vehicle operating areas. Vehicles should have insurance suitable for the vehicle being operated, including any public liability insurance. If you wish to have passengers ride in your vehicle, you are responsible for ensuring your vehicle is adequately adapted for doing so, and in cases where this activity may involve re-enactments or re-enactors, suitable insurance covering this will need to be obtained and agreed in advance with the show team. No vehicle shall be taken/driven into any lake on site. Persons entering them, shall only be permitted with the organizers permission and after completion of a risk assessment as part of a re-enactment.

Our marshals will keep vehicle movements to a minimum, this is for safety reasons and also to protect the site from damage due to excessive movements. You may be asked to park up outside the main site area in a holding area, during times outside of normal operating hours, which are after 22:00 and before 06:00. This rule applies to all vehicles either displaying, stalls or services.

Noise and Nuisance

When at a show, please remember there may be other people camping nearby. Please show respect for them by keeping any behavior within acceptable bounds. At night please switch off any generators after 22:30 and keep the noise to a minimum. There may be people camping with families and young children. Please ensure any cooking equipment, fires or similar heat sources are not left unattended. Please always follow any and all instructions given by any show official or marshal.

Wristbands

All exhibitors are required to have wristbands - these will be issued to you on your arrival day and must be worn at all times. Non wristband holders will **not** be served at the bar in the evening and will be asked to leave the event during the times that the site is not open to the public.

Weapons, pyrotechnics and uniforms

There must be absolutely no discharge of any firearm, barreled weapon, pyrotechnics, thunder flash, firework or other explosive device at any event without prior permission of the organizers or trustees or safety officer. Selling of any pyrotechnic before or during the show is not permitted.
